ALWAYS LEEDS!

ALWAYS LOYAL!

**5 THINGS YOU DIDN'T KNOW YOU DIDN'T
KNOW ABOUT NOTTINGHAM FOREST**

1. Fans hate being referred to as "Notts Forest"
2. Share the record for the biggest win in the top flight, 12-0 against Leicester Fosse, 21st April 1909
3. Mark Crossley is the only keeper to have saved a penalty from Matt Le Tissier in March 1993 while playing for Forest.
4. The first time a whistle was used in 1878 in a game it was between Nottingham Forest and Sheffield Norfolk.
5. Forest's Sam Widdowson was the first player to wear Shinpads, in 1874

HERE, THERE & EVERYWHERE

Former Tubby White **Andy Robinson** (now at Tranmere) picked up the NPower League 1 player of the month for September

Simon Grayson still hopes to sign former Leeds Uber-hero **Jermaine Beckford** but knows he will have to be patient!

**MY NAME IS RIO, AND I'M REALLY QUITE A
DIV! (WITH APOLOGIES TO DURAN DURAN)**

White turncoat **Rio Ferdinand** is in trouble again! He has been banned for 6 months for speeding 3 times in six weeks on the same road. His lawyer "Mr Loophole" could not even win this one. He used the argument that his client wasn't aware he was picking up points! For the benefit of Mr Ferdinand I have reproduced a photo of a speed camera similar to the one he passed at an excessive speed three time.

To compound our duck faced heroes embarrassment even further it was spotted that his tax disc was out of date as he was going into the training ground (what was he doing there?) Officials had to run round like blue bummed flies to get hold of it before he left for home

DANNY MILLS IS COOKING BRILLIANT!

Danny was at the game on Tuesday promoting his latest charitable effort. He is cycling to London from Leeds to take part in the Virgin Triathlon. He aims to make the 225 mile bike ride in 14 hours, then complete an Olympic plus Triathlon. For those of you of a nervous disposition ignore the next bit! The Triathlon involved is 1500m swim, 80km bike ride, 10km run!

Danny is raising money for the charity Shine, which supports families affected by spina bifida and hydrocephalus. If you want to support Danny you can text ARCH90 followed by £1, 2,3,4,5 or 10 depending on how much you wish to donate. If you want to donate online or leave a message you can go to www.justgiving.com/ArchieMills Danny has reached the final of Celebrity Masterchef.

DANNY MILLS IS REALLY RATHER GOOD!

I received the following email from an anonymous member!

"Came home from work this evening, and the following conversation happened:-

Me:- "hello dear, What are you watching?"

She:- "Celebrity Masterchef, it's that Danny Mills. He's really rather good"

I didn't have the heart to explain, but forever the chant has now become.....altogether now.....

"Danny Mills is really rather good"!!!!

FRANK DUDLEY
1925-2012

News reached us of the passing of Frank Dudley at the age of 88. Signed from Southend in 1949. Frank played in all 5 forward positions in 49/50 ending up as top scorer with 12 at the end of the season. Frank was transferred to Southampton in 1951. Franks holds the unusual distinction of his first three goals in 1953/54 season were scored for different clubs in different divisions, Southampton (Three South) Cardiff (One), & Brentford (Second). Our thoughts are with his family

GET STUCK IN

I came across this picture in a book recently. It shows "Big" Jack trying to whack his way through 2" of ice on the Elland Road pitch. (rather than an opposing centre forwards legs) prior to an FA Cup tie in 1963. Leeds had said there was a 50-

50 chance of the game against Stoke going ahead, it was eventually played 2 months after the scheduled date on 6th March. United won 3-1 with goals from Collins, Reaney & the late Grenville Hair.

The game had been postponed 12 times, but it was 13th time lucky for Leeds, as they won their first FA Cup tie for 10 years. The 4th round was played 10 days later, with the 5th round 3 days after that! The draw for the 5th round had already been made before we played the game against Stoke, and threw up the delightful combination of West Bromwich Albion or Nottingham Forest v Blackburn or Middlesbrough or Leeds or Stoke. In the end it was Forest v Leeds (see how I got the connection in!)

Belated Birthday Greetings to the following members; Amanda Jackson (15th Sept.), Liz Akester (18th), Nigel Dowling (20th), Nick Walter (21st). Birthdays coming up include "Doc" Dave Gilmore (23rd), Christine Wilkinson (26th), Peter Jackson (26th) Kyle Graham (27th) and Chris Miller (30th).

It was great to have two of our Norwegian members with us earlier this week. Erik and Torill Thomassen flew over from Hamar on Sunday to take in the Hull City game last Tuesday. Apart from a disappointing result, they enjoyed their latest brief trip to Leeds having flown home early Wednesday morning. The highlight of this visit was a day out to Blackpool with Phil and Chris Beeton culminating with a drive down the illuminations. Erik also managed to make visits en route to the football grounds at Bolton, Fleetwood and Blackpool and added scores more pictures to his UK album. Phil also managed to present Erik with a stick of Leeds United rock! They also had a great night with Phil, Chris and Eric Carlile on the Sunday of their arrival reminiscing on past visits. Erik is fast approaching 40 years since he first came to Leeds and stayed for a while with Eric Carlile. They have been in regular contact ever since.

Continuing on an international theme it was great for Phil and Chris to meet up with long standing member Petri Kukkonen from Finland who has been in the Branch along with several family members, for many years. For Petri this is an historic occasion as it is his first visit to Leeds and indeed the UK. Petri arrived on Tuesday morning accompanied by his partner Sari Koivisto and during his short stay will take in the Forest game today as well as last Tuesday's fixture against Hull. We hope for a better result today to make up for the disappointment of his first "live" Leeds game. Welcome to you both!

Scarborough
